**Engineering-Architecture-Construction
Design - Build Competition 2004**

Using the provided materials, can you design and build something to protect your fragile cargo as it is launched into the sky and returns to the ground? Join us to put your design ideas, construction skills and creativity to the test!

**The Peter Kiewit Institute is
located at 1110 S. 67th St.
(just south of Pacific St.)
\$15 Registration Fee**

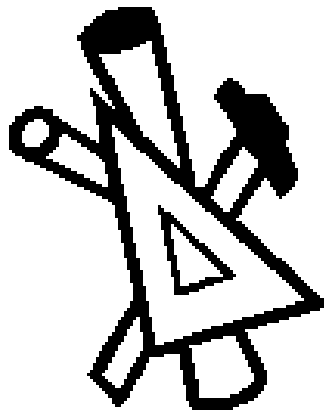

Saturday, November 20, 2004

9:00 am to 12:00 pm
