

# ASCE Younger members *Nebraska*

## 1<sup>st</sup> Annual Kickball Game

September 29 at 5:30 p.m.

Crosskey Villages Park – 117<sup>th</sup> Ave and Blondo  
(See Attached Map)

Our most honorable ASCE President's theme for this year is "FUN AND PARTICIPATION". The younger member co-chairs took that to mean get together and act like you're in second grade. This year the ASCE Younger Members Group is sponsoring the 1st annual ASCE YMG Kickball Game, or ASCEYMGKGB, if you like acronyms. This will be a fun event (we hope) to get people together and actually meet other young Civil Engineers. Everyone knows the monthly meetings are a blast, but it's time to have a young event where people can show off their second grade skills of kickball and mingling.

Drinks and snacks will be provided during the game, and if some want the fun to continue after we're all kicked-out, even better!! The park is situated nearby local establishments that offer drinks no second grader should have.

Please reply to this email if you would like to play. Also, feel free to invite other young engineers from your firm for this night of "FUN AND PARTICIPATION". If you have any questions please contact Amelia Toellner ([actuellner@terracon.com](mailto:actuellner@terracon.com), 330-2202) or Pat Hillyer ([Pat.Hillyer@LRA-inc.com](mailto:Pat.Hillyer@LRA-inc.com), 496-2498) the younger member co-chairs bringing you this event. Hope to see you there!!
