It's that time of year again. Your younger member co-chairs would like to present the NEASCE Younger Members Group 2nd Annual Kickball Game. Before summer officially ends, come have one last chance for a fun outdoor activity with other younger members!

Drinks and snacks will be provided during the game, and if some want the fun to continue after we're all kicked-out, even better!!

Please reply to this email if you would like to play. Also, feel free to invite friends and other young engineers from your firm for a fun evening of kickball. If you have any questions please contact Amelia Toellner (acttoellner@terracon.com) or Pat Hillyer (Pat.Hillyer@LRA-inc.com) the younger member co-chairs bringing you this event. Hope to see you there!!
