Life Members and Students are FREE....but you must register.

Registration/Deadline:
Sign up by 4:00 pm Tuesday, April 24, 2018 HERE.
From the President

Fellow Members of the Nebraska Section of ASCE:

It’s officially spring! Or what we in Nebraska like to call “Third Winter.” Keep your eye on the weather report for that one week of nice weather we always get before it is suddenly 90 degrees and humid every day. I, for one, can’t wait to get outside and enjoy some sun in my new ASCE speedo.

In March, the Environmental Technical Committee hosted our Section Meeting. At this meeting, Robert Parker, PE of Olsson Associates presented on the EPA Clean Water Act and Waters of the US. It was a very informative and timely presentation. Thanks to Shannon DeVivo, Environmental Technical Committee Chair for coordinating the event.

Next up is the Transportation Section Meeting and the Transportation Conference. The ASCE/LOCATE Transportation Conference will be held May 4th at the Scott Conference Center in Omaha. Click here to register: [http://events.r20.constantcontact.com/register/event?oeidk=a07ef6zjo864269a7ba&llr=tdh4jixab](http://events.r20.constantcontact.com/register/event?oeidk=a07ef6zjo864269a7ba&llr=tdh4jixab)

I’m hoping the agenda includes a presentation on how to effectively dodge potholes. Information on the Transportation Section Meeting is coming out shortly.

Also coming up is the Nebraska Section Annual Meeting, which will be held May 17th at the Quarry Oaks Golf Club in Ashland. Keep an eye on your email – registration will be open soon! Attending the event dressed as Happy Gilmore is strongly encouraged.

If you have any questions or want to get more involved with ASCE, please reach out to me at mhubel@schemmer.com or at 402-431-6370. We have a number of leadership positions opening up for the 2018-2019 year. If you are interested please get in touch! It’s a great opportunity to get hands-on leadership training and to get involved in the engineering community.

Sincerely,

Matt Hubel, President, ASCE Nebraska Section
March Meeting Summary

Thursday evening, March 15th the Nebraska Section’s Environmental Technical Group hosted a meeting. The topic of the presentation was about the Navigating the Clean Water Act: A Map to the Waters of the United States. The list below can be considered official documentation of attendance at the March 15th, 2018 meeting and presentation worth one (1) PDH credit.

Cody Buckland
John Hill
Rocky Keehn
Tim Matula

Shannon DeViro
Matt Hubel
Loras Klostermann
Jeffrey McClennathan

Mark Egger
Jessica Johnson
Tyler Klusaw
Greg Seib

Gerald Hatch
Robert Kalinski
Nicole Lenczowski
Mike Sklenar

Structures Congress 2018

- Learn valuable information in the technical sessions Earn up to 14 PDH's
- Attend the Evening Reception Celebrating the Future of SE hosted by CSI - make sure you purchase your additional ticket
- Network with 1,200 of your colleagues - Students and Young Professionals, take this opportunity to meet top-level Structural Engineers and learn how to enhance your career. New Programs offered this year.
NEASCE and LOCATE invite you to participate in their 14th Annual Transportation Conference. The conference will be held at the Scott Conference Center in Omaha, NE on May 4, 2018. We hope to continue our past success by providing interesting and informative presentations covering the topics of railroad, roadway, traffic, and bridge engineering along with information on current events and issues affecting today's transportation engineer or planner.

Our planning committee consists of members from NDOR, City of Omaha, City of Lincoln, MAPA, the University of Nebraska, NEASCE and LOCATE.

You can register for the conference here.
