Hello fellow ASCE members! It is an honor to have been recently installed as president of the Nebraska Section of ASCE. We had a great annual meeting on May 17th at Quarry Oaks. We were fortunate enough to have many guests and award winners at the meeting, including the student award winners from UNL and UNO, new ASCE Life Members, Dr. Puckett from UNL, and ASCE Region 7 Governor Jeff Young.

The past few years in our section have been filled with important and exciting events, such as the Nebraska Section’s centennial anniversary and hosting the Central Region Leadership Conference in Omaha. With your help, I’m excited to take on the next big challenges for ASCE. One of my top priorities is to make sure we provide a toolkit with a DVD for ASCE’s Dream Big movie to every public school in the state and as many private and parochial schools as we can. We are opening it up to all our members first to donate to any school of your choice by going online to engineersdreambig.org or follow the link on our section website, neasce.org. The Nebraska Section will be providing the tool kit to any public schools our members have not already donated to.

Be on the lookout this next year for ASCE Nebraska Section on social media. Keep an eye on future newsletters and emails for more information. I hope everyone enjoys a few months off from ASCE meetings and conferences and is ready to start getting back in full swing in September.

Best,

Greg Seib

Habitat for Humanity Help

NEASCE AND HFHO JOINT BUILD DAY
SATURDAY, JUNE 30, 2018

Join NESCE members as they work on a house for Habitat for Humanity in Waterloo, NE. Saturday, June 30, 2018 will be a build date for NEASCE on a new home being constructed at 2228 Thomas Drive, Waterloo, NE. This will be the start of a new home on an unbuilt lot, and we will be setting the floor trusses and installing the floor decking for the house. We will have a morning shift and afternoon shift and you may signup to help either of both. Snacks, drinks and lunch will be provided by NEASCE. You will need to sign up through the HFH Omaha website and sign a waiver.

The house will be for Shanita and her daughter, Arion. Shanita moved from Georgia to Omaha four years ago. She and Arion cannot wait to move into their new home and they are already busy planning the décor for Arion’s first room of her own. Arion is a talented, budding artist who loves to draw and Shanita is an aspiring writer who plans to self-publish later this year. Together they look forward to growing their passions in the quiet and comfort of a home of their own.

We would welcome NEASCE members, spouses, and Student members. We will take help for people to help with food and take pictures. Plan to joins us for another fun NEASCE/HFHO joint build.
