From the President

Hello, ASCE Nebraska Section! I was able to attend the Environmental Meeting in on March 21st at Beacon Hills in Omaha. The presentation topic of Environmental Risk Management was a unique topic and the discussion was very interesting, even for someone like me who is not an Environmental Engineer. I’ll look forward to seeing many of you at the Transportation Meeting on April 24th.

The Transportation Conference will be later than usual this year due to some scheduling conflicts. The date for the conference will be Friday May 31st. The date of the ASCE Annual Meeting and Banquet has not been officially set at this time, but it is tentatively being planned for the second week in June.

The Annual Meeting and Banquet typically wraps up the ASCE year before taking a summer break, but we are still planning for a big event in July this year. The Nebraska Section will be hosting a dedication ceremony for a National Historic Civil Engineering Landmark for the Union Pacific Railroad in Nebraska. This will be in conjunction with Railroad Days at Lauritzen Gardens this July. Keep an eye out for more information.

Finally, print versions of the e-book commemorating the Nebraska Section’s 100th Anniversary in 2017 are now available for order. You will find a link on the NEASCE.org website where you can order your copy!

Greg Seib, PE, PTOE, M.ASCE
ASCE Nebraska Section President

Sincerely,

Greg Seib, PE, PTOE, M.ASCE
