MOVITE & ASCE - Crashing Through Barriers

Meeting Highlights

- ◆ Workshop on Roadside Safety - This Wednesday morning technical workshop will be presented by the Midwest Roadside Safety Facility, part of the University of Nebraska. The workshop will include a presentation by Dr. Dean Sicking, the Director of this facility, and will conclude with a live crash test (weather permitting).
- ◆ Wednesday Golf Outing - Wilderness Ridge Golf Course, 1800 Wilderness Woods Place, www.wildernessridgegolf.com
- ◆ University of Nebraska vs. Northern Iowa College Baseball Game - Wednesday at 6:25 p.m. (on your own)
- ◆ Casino Night, Thursday Evening - This is a NO COST evening of fun with chances to win various prizes with raffles tickets and one way to fulfill your gambling fever and not lose any money.
- ◆ Our guest speaker for the Past Presidents Breakfast will be Jim Suttle whose topic will be Adapting to Politics While Keeping Your Engineering Ethics. This is obviously a topic that all MOVITE members can relate to. Jim was the Omaha Public Works director prior to going into private business. He is presently a City Councilperson in Omaha. His experiences bring a unique viewpoint of adapting to the political environment while maintaining the ethics of the engineering profession.
